

Duke University School of Nursing Accelerated BSN Program

Form A, Certification of Health Requirements

Dear Applicant:

By completing and signing this form, you are certifying that you have no physical or emotional condition that would prevent you from meeting the requirements below. Such certification is required for matriculation into the Duke University School of Nursing Accelerated BSN Program. These Health requirements are consistent with North Carolina Board of Nursing Policy and the *Essentials for Baccalaureate Nursing Education*. In order to complete the ABSN Program successfully, the following skills and conditions are essential.

1. Ability to use gross and fine motor skills,
2. Ability to take vital signs, including temperature, pulse, respiration and blood pressure,
3. Administer medications by all routes,
4. Administer CPR,
5. Ability to learn, think critically, assess, solve problems and reach judgment,
6. Physical health and emotional stability to meet the demands of nursing and provide safe patient care.

Certification:

I certify that I am able to meet the requirements for matriculation in the ABSN Program at Duke University School of Nursing. Failure to disclose any physical or emotional condition that compromises patient safety will result in dismissal from the program and the Duke University School of Nursing.
